

Meadow Brook Poloists Defeat Orange County in Fourth Herbert Cup Match and Reach Final

Milburn and Hitchcock Lead Attack in 16 to 12 Victory

Two Stars Play Important Part on Offensive for Winners; Orange Shirted Riders, Aided by a Six-Goal Handicap, Threaten Throughout

RUMSON, N. J., Aug. 30.—Coming up from behind with splendid dash, the Meadow Brook polo four this afternoon won their way into the finals of the Herbert Memorial Cup tournament by defeating Hamman's Orange County gallies, 16 to 12. It was a good game to watch, with Devereux Milburn and Tommy Hitchcock flashing into action again and again like tongues of flame, and with the vanquished team maintaining a threat against the visitors until the very last.

Before the game it was believed that the Orange County team, which showed high caliber on Saturday when it defeated Argentine, would be better mounted than Meadow Brook to-day and would very possibly ride away with the game. When they got on the field, however, the orange-shirted riders showed up as a good deal less than since Meadow Brook set the pace for the major portion of the match. In this forcing of the play a greater length of stroke and superior generalship and hit rate part.

Weather conditions were perfect, no rain falling until after the match, and the splendid texture of the turf on the No. 1 field added much to the speed of the game. In spite of these favorable circumstances the crowd was smaller than had been expected, the withdrawal of the special train from the Polo station at the last minute having wrecked the plans of a number of persons who had intended to go down to Rumson.

Meadow Brook's win was undoubtedly due to the fact that it was so persistently on the offensive that the opposition had little or no chance to unwork the combinations it used so effectively against the State Americans. Hitchcock, in addition to scoring most of the goals for his own side, covered the pivot of the opposition's team play so effectively that it could hardly get started, and most of what came through was smothered by Milburn. The latter, of course, played a fine game of polo throughout, while Devereux, though less spectacular than his two international teammates, did some very effective work. Rumsey and Stevenson were the backbone of the Orange County fight.

Hitchcock Makes First Goal

The orange and light blue teams lined up at 12:30, and the first goals behind because of their handicap. Orange County got away with a rush, but the threat was checked by Milburn. The ball then went up the center line, and Hitchcock made the first goal from the scrimmage. A long shot from an Orange County forward was knocked aside by Milburn in the mouth of the goal after a sharp rive. Shortly after, however, Hitchcock found the unguarded net near Meadow Brook's goal and put it through. Score: Meadow Brook, 1; Orange County, 0.

The game then started near the Orange County goal from an out-of-play, and the previous period. A free hit by Hitchcock failed. Prolonged milling in Orange County territory resulted in a score by Van Stede, who got loose as he played and scored. Hitchcock again single handed. Score: Meadow Brook, 2; Orange County, 0.

Meadow Brook's superior team work began to tell. From a scrimmage near the Orange County goal, Hitchcock made a fine near-side shot by Hitchcock. The same player led the score almost immediately thereafter when on a run from the Orange County goal, Belmont missed a shot, and Hitchcock carried the ball down the field, and gave Milburn the chance to put it into the posts. The blue team's force into the lead was answered by an Orange County player, which was unable, however, to prevent Hitchcock from scoring under the legs of the Orange ponies from a difficult position. Score: Meadow Brook, 3; Orange County, 0.

Meadow Brook forced the playing down the field and Rumsey stopped a shot at his goal in the nick of time. A long straight shot by Hitchcock from mid-field was missed by Belmont, and a backhand shot and Van Stede put it in. Orange County rose to the occasion, sweeping the length of the field in pair play, and making a clean goal at the hands of Harriman. Against the Orange County No. 1 got away and tallied at a full gallop. Score: Meadow Brook, 10; Orange County, 9.

The knockout blow behind Orange County's goal line at the beginning of the period was weak and Hitchcock, waiting in a strategic position, slammed the ball home. Meadow Brook then dribbled half the length of the field, and their No. 2 rolled it between the posts. Again they forced a scrimmage in front of their adversaries' goal, and Milburn's pony in the goal, Milburn himself completed the stroke. A moment later Milburn came through, and smashed in another tally. Score: Meadow Brook, 14; Orange County, 9.

The beginning of the seventh period was unfortunate for the Hamman team. The ball was knocked out from behind their goal line, but after a short scramble Hitchcock pounced on it for a drive that scored. Then Orange County rallied. Two mighty drives by Stevenson took the play half the length of the field, where it was picked up by Harriman at top speed and made into a score. Once more Harriman broke free and made a clean score. Score: Meadow Brook, 15; Orange County, 11.

Furious galloping by both teams marked the period. Orange County, fighting desperately, shook Rumsey loose. He tallied with a fine, true, driving ball. But Hitchcock ran through, for as soon as the whistle blew he went away with the ball and scored. Orange County attacked again, but they, too, were nipped. Score: Meadow Brook, 16; Orange County, 12.

Vernon Defeats Buxbaum In Handball Tourney

Murray Vernon, of the Crescent A. C., defeated Sam Buxbaum, of the Trinity Club, in the replay of the final round of the handball tourney at the Brighton Beach Baths yesterday. The scores were 21-10, 15-21, 21-18.

Vernon was unable to appear to play his semi-final match while the tourney was in progress and the committee awarded the victory to Sakman, who was scheduled to oppose Vernon. Buxbaum later defeated Sakman, but the A. A. U. ruled that Sakman should meet Vernon, with the result that the Crescent A. C. man defeated both Sakman and Buxbaum.

Emotion Races To Victory in Spa Feature

Defeats Nedna in the Test, Causing One of Many Upsets; Knobbie Is Winner

By-W. J. Macbeth
SARATOGA SPRINGS, N. Y., Aug. 30.—As was to be expected on such a treacherous and unfathomable track, to-day's racing was full of surprises, and none more so than in the feature, The Test, for three-year-old fillies at a mile and a quarter, when R. L. Gerry's Emotion, best W. P. Thompson's Nedna with ridiculous ease. This victory establishes Emotion, at the present at least, the best filly of that division and squares accounts for her defeat in the Alabama. Nedna was the favorite at 3 to 5 in this two-horse race.

Many good judges do not believe the race was won on its merits, however. The last lap of Nedna to the ill-judged ride on the part of Frankie Keogh, who made the pace with Nedna just to suit Emotion. There was no pace for almost a mile, but McAlister took her into his hands and took the last strides of a six furlongs sprint. Fator put up a million dollar finish to save the day, but his effort would have been in vain had not Nedna taken it into his hands to make the last sixteenth. Wellfunder, a 30 to 1 shot, finished third only because of the fact that J. S. Costen's Good Times was left at the post.

Kippie Does Well in Last Race

Mrs. George W. Loft's Kippie, a two-year-old chestnut filly made an impressive debut in the final dash of five furlongs. She stepped the distance in 1:02, and simply ran away from Bud Fisher's Brocade after straightening out the combination. The latter, who had finished with a rush for the place, Fator, who was up on Kippie, took back the early pace and came around the Fisher filly at the stretch turn.

The biggest surprise of the afternoon was the victory of Prince James in the fifth race, at a mile, in which Blazes, the heavily played favorite, finished absolutely last in a field of four. The Monty Waterbury cup, which Prince James had rounded the home turn. Then he came through on the rail, and in a hard drive to the wire outgamed the early pacemaker, E. R. Taylor, who was the favorite since James was the medium to a big cup, being backed from 15 to 1 to 4 to 1.

There was another upset in the fourth, when Costigan, the outsider of the day, won the race, and Fisher's Muskallone in the stretch and won going away. Sedgfield and Tangerine, the Wilson pair, were odds on favorites. Sedgfield, the ace of the club, was outrun all the way and finished last, but as usual slow to begin, came with a rush at the end, but too late to do better than save the place.

The remark of the old, broken negro as he listened to the 12 o'clock Saratoga race, which was the Kippie, said the day's racing was a Kippie. Said the day's racing was a Kippie. Said the day's racing was a Kippie. Said the day's racing was a Kippie.

There is a headly a corporal's guard left for to-morrow's big blow-off. The city guard might fire its cannon up Broadway to-night without maiming any of the visitors, perhaps, but the Kippie, who has already gone home, and unless there is an unexpected pilgrimage from New York and other places, the city and adjacent towns "get away" to-morrow night. It will be somewhat tame in comparison to other days of glorious memory.

And this is to be regretted. Secretary will be able to present one of the very strongest cards of the month. The running of the Hopeful, by far the richest and most prized of the two-year-old classics contested to-day, should be of great interest if the weather continues fair. No less than fourteen of the very best juveniles have been named overnight for this \$45,000 classic.

Three Hildreth Horses Entered

Sam Hildreth, wizard of the Rancho Stable, who has annexed most of the stakes of worth at this meeting, and the Hopeful to his list of achievements. He has named no less than three. Messrs. H. P. Whitney, J. S. Costen and E. R. Bradley will each be represented by a pair. Jimmy Rowe, who is likely to be one of the three candidates, as he trains Barbary Burh, of the Greenlee Stable. Unless the hope the Rancho trio undoubtedly will rule favorite in the Hopeful.

Peter Manning Breaks Record at Readville

Champion Trotter Clips One-Quarter of a Second Off Mark for the Track

READVILLE, Mass., Aug. 30.—Peter Manning, the champion trotter, broke another track record this afternoon at the second day's program of the Grand Circuit meeting at Readville Park, negotiating a mile in 1:59, one-quarter of a second faster than the former trotting mark for the track, held jointly by Peter Manning and Lou Dillon.

Clear Worthy, driven by Thomas W. Murphy, won the Massachusetts stake, valued at \$5,000, in straight heats, but the gelding was forced to his limit in every heat by Peter the Breeze, the fluke being so close in the first and third heats that the result was in doubt until announced by the judges.

Walter Cox drove two winners, Abbeduto being the victor in the Pilgrim, for Patience, while Abbeduto and the Great, the largest money winner on the Grand Circuit in 1920, disposed of the 2:07 trotters, although the Boston horse could not fall off the final run of Mainick in the final heat.

The two-year-old trotting event was no more than a romp for Brandywine, the filly never being extended at any part of either mile, and always winning with plenty of speed in reserve.
